

Michigan Bull Sale Recap

We had our first annual Brumfield Angus Farms Bull Sale on March 4th! We were very excited about the outcome and extremely appreciative of those who participated and helped make the sale possible.

32 bulls were sold to buyers in IL, IN, MI, MO, MS, NE, NY, TX, along with other states. The top 2 grossing bulls were sold locally to angus operations in IN and MI! Check out some of our favorite pictures from the event below - link to [Sale Report](#).

50 Montana Bulls For Sale Via Private Treaty

With the Michigan Bull Sale now behind us, we've turned our attention to marketing our bulls in Montana. We're selling 50 rugged yearling bulls located in Billings, MT.

- Born in spring of 2024. Well-developed, sound structured, and ready to work
- First breeding season guaranteed and semen tested
- Handled regularly for easy management
