## Symmetry 228 Continues to Impress

Symmetry 228, one of our senior herd sires, continues to make an impact in the industry. See below for just a handful of headlines!

[Symmetry 228](#)

- Alta Genetics leases Symmetry 228 and includes him in their impressive lineup of sires for spring breeding. [Link](#)
- SF Symmetry 4007, a direct son of Symmetry 228, is high selling bull (\$72,000) at Best of the West Sale in Fort Worth, TX in January. [Link](#)
- 3/O Rita 404, a direct daughter of Symmetry 228, is high-selling heifer (\$250,000) at the NFR Angus Sale in Las Vegas, NV in December. [Link](#)

## Additions to the Herd

During our trip to Cattleman's Congress in January, we added two great animals to our herd destined to make a big impact - really excited about these two pickups!

[Stone Creek Lady 1101-4060](#)

4060 is a sensational prospect from the legendary Lady Denver 167-453 x SS Niagara. 4060 sports a top 1% \$Combined value index with many EPD highlights. Expecting big things from her!

[GA Whitney 1044-4525](#)

4525 is an exciting young female with an outstanding EPD profile and a 1% \$Combined value index. She'll no doubt have a bright future in the Brumfield donor pen!
